Diving Adventure Limited 潛水歷險會有限公司

Diving Adventure Limited (Diving Adventure) started business in 1998 as a Professional Association of Diving Instructors (PADI) Five Star Centre, focusing on dive training courses for government departments, lifeguards and international schools.

Diving Adventure advocates a barrier-free harmonious society through promoting and delivering scuba diving training to the disabled. As part of this commitment, the Company has helped set up the International Association for Hand-in-Hand Divers (H.K.) (IAHD), a charitable organisation that offers diver training courses to people who are physically handicapped or mildly challenged intellectually.

Diving activities have also been held for charities and underprivileged groups such as HKFHY Momentum Academy and the Ebenezer School & Home for the Visually Impaired.

Another initiative is the sponsorship of diving equipment and vessels for scuba diving courses for low-income families. In partnership with The Boys' and Girls' Clubs Association and The Hong Kong Federation of Youth Groups, the Company has organised a number of diving activities for young people.

Diving Adventure also supports social development by sharing its expertise and experience in safety diving programmes organised by the Hong Kong Underwater Association. The Company also works with the Agriculture, Fisheries and Conservation Department on the annual Hong Kong Reef Check.

潛水歷險會有限公司 (潛水歷險會)於1998年創業，是專業潛水教練協會其中一家五星教練培訓中心，主要為政府部門、救生員、國際學校等提供潛水訓練課程。

潛水歷險會亦與慈善團體和弱勢社群合作籌辦潛水活動，當中包括香港傷殘青年協會傷青動力學堂及心光盲人院暨學校。

為使低收入家庭亦能參與潛水活動，潛水歷險會贊助所需要的潛水儀器及潛水船；另外，公司亦與香港小童群益會和香港青年協會合作為青少年安排潛水活動。

在整體社區發展方面，潛水歷險會為香港潛水會籌辦活動，分享安全潛水的知識和經驗。公司更協助漁農自然護理署進行每年的香港珊瑚普查。
